

## EXPERIENCE

### **AHM Brands**

Senior Graphic Designer  
Eugene, OR July 2015–present

Responsible for conceptualization and implementation of creative design solutions. Leads teams of junior designers, writers and programmers through project completion. Works closely with Creative Director to ensure creative work aligns with company vision. Manages project schedules and deadlines. Works directly with clients and vendors.

### **The Aesthetics Department**

Owner / Freelance Entity / Graphic Designer  
New York, NY and Los Angeles, CA 2006–2016

Provided a full range of design solutions from concept to final execution for print projects, logo development, technical illustration, website design, trade show assets, packaging, design production and basic web programming. Developed and presented project proposals to small business owners and company managerial staff. My friendly, compassionate and dedicated approach maintained long-term client relationships.

### **Brett Freedman Beauty**

Lead Graphic Designer  
Los Angeles, CA 2007–2016

Collaborated with owner Brett Freedman on a wide variety of projects including product branding, packaging, promotional postcards and brochures, store signage and display cases, website and social media graphics, advertisements, newsletters and more.

### **Six Degrees Marketing**

Freelance Graphic Designer  
Los Angeles, CA 2008–2011

Created promotional materials, logos and website designs for a variety of restaurant clients including Wolfgang Puck, 160 Blue, WAVE Dining, Boost Kitchen, IPO, Sweets Truck, Unitea and others. Worked collaboratively with Creative Director and CEO.

### **Tribeca Design**

Freelance Graphic Designer  
New York, NY and Los Angeles, CA 2008–2010

Responsible for wireframes, conceptualization, design, and production on several website projects. Worked directly with both the Creative Director and Studio Owner.

### **Kiss Me I'm Polish**

Graphic Designer  
New York, NY 2005–2007

Collaborated with Art Director in the design and production of multiple projects including branding, websites, business collateral, advertisements, candy packaging and textile patterns.

### **SME Branding**

Graphic Designer  
New York, NY 2005–2007

Designed brochures, business collateral and brand standard guidelines for a variety of clients in a highly collaborative environment. Created website design concepts and managed production on multiple print projects.
